

Liquidation preference ends in Sweden

30.12.2019

BBS Plc's liquidity providing (LP) agreement with Mangold Fondkommission AB on the Nasdaq First North Growth Market list in Sweden will expire on 30th December 2019. The management of the company estimates that the LP has not improved the company's share price formation or liquidity. Only a minority of the company's shares are listed in Sweden and the share price and trading, despite the LP, have behaved in the same way as the company's main listing in Finland. The company does not have a LP agreement in Finland.

About BBS – Bioactive Bone Substitutes

BBS-Bioactive Bone Substitutes Plc is a leading orthobiologic biotech company with origins in Finland. The company's technology, Artebone[®], is a next generation bone substitute that targets treatment of bone defects and healing problems in extremities such as hands and ankles, scapula and pelvis. Its superior properties stem from the bone protein and growth factors extracted from reindeer bone combined with scaffold-providing TCP (tricalciumphosphate) granules and has the potential of transforming orthopedic surgery. The first product, Artebone[®] paste, is ready and the application process for the CE-marking enabling commercialization is in progress. BBS' Certified Adviser at Nasdaq First North Growth Market Stockholm and Helsinki is Stockholm Certified Advisers AB, +46 70 5516 729, info@certifiedadviser.se. More information: www.bbs-artebone.fi.
