BBS – Bioactive Bone Substitutes Plc

BBS-Bioactive Bone Substitutes Plc is a Finnish orthobiologic biotech company. We have developed a new product for healing of difficult bone fractures and for solving the problems in bone healing. Our mission is to offer new generation medicinal products for the orthopedic surgery. The research and development in the field of medicine requires perseverance and courage to develop new things. We have over 20 years of expertise in this. Our operations are characterised by top expertise, innovativeness and dedicated and committed employees. The first product, ARTEBONE® paste, is ready and the application process for the CE-marking enabling commercialization is in progress.
